**A RESOLUTION OF THE VOLUSIA COUNTY SOIL AND WATER CONSERVATION DISTRICT, FLORIDA CALLING FOR THE DISCONTINUANCE OF THE VOLUSIA COUNTY SOIL AND WATER CONSERVATION DISTRICT IN ACCORDANCE WITH FLORIDA STATUTE 582.30 - DISCONTINUANCE OF DISTRICTS; REFERENDUM; COMMISSIONER'S AUTHORITY.**

WHEREAS, the Volusia County Soil and Water Conservation District was established by FS Chapter 582 (1937) wherein Section 582.20 of said Statute (Powers of Districts and Supervisors) were set forth as follows:

- (1) To conduct surveys, studies, and research relating to soil and water resources and to publish and disseminate the results of such surveys, studies, research, and related information;
- (2) To conduct agricultural best management practices demonstration projects and projects for the conservation, protection, and restoration of soil and water resources:
  - (a) Within the district's boundaries;
  - (b) Within another district's boundaries, subject to the other district's approval;
  - (c) In areas not contained within any district's boundaries on lands owned or controlled by this state or any of its agencies, with the cooperation of the agency administering and having jurisdiction thereof; or
  - (d) On any other lands within the district's boundaries, within another district's boundaries subject to the other district's approval, or not contained within any district's boundaries upon obtaining the consent of the owner or occupier of the lands or the necessary rights or interests in such lands;
- (3) To cooperate, or enter into agreements with, any special district, municipality, county, water management district, state or federal agency, governmental or otherwise, or owner or occupier of lands within the district's boundaries, within another district's boundaries subject to the other district's approval, or not contained within any district's boundaries in furtherance of the purposes and provisions of this chapter;
- (4) To obtain options upon and to acquire, by purchase, exchange, lease, gift, grant, bequest, devise or otherwise, any property, real or personal, or rights or interests therein; to maintain, administer, and improve any properties acquired, to receive income from such properties and to expend such income in carrying out the purposes and provisions of this chapter; and to sell, lease, or otherwise dispose of any of its property or interests therein in furtherance of the purposes and provisions of this chapter;
- (5) To make available, on such terms as it shall prescribe, to any owner or occupier of lands within the district's boundaries, within another district's boundaries subject to the other district's approval, or not contained within any district's boundaries agricultural and engineering machinery and equipment, and such other material or equipment, that will assist such landowners and occupiers to carry on operations upon their lands for the conservation and protection of soil

and water resources;

(6) To construct, improve, operate, and maintain such structures as may be necessary or convenient for the performance of any of the operations authorized in this chapter;

(7) To provide, or assist in providing, training and education programs that further the purposes and provisions of this chapter;

(8) To sue and be sued in the name of the district; to have a seal, which seal shall be judicially noticed; to have perpetual succession unless terminated as provided in this chapter; to make and execute contracts and other instruments necessary or convenient to the exercise of its powers; upon a majority vote of the supervisors of the district, to borrow money and to execute promissory notes and other evidences of indebtedness in connection therewith, and to pledge, mortgage, and assign the income of the district and its personal property as security therefor, the notes and other evidences of indebtedness to be general obligations only of the district and in no event to constitute an indebtedness for which the faith and credit of the state or any of its revenues are pledged;

(9) To use, in coordination with the applicable county or counties, the services of the county agricultural agents and the facilities of their offices, if practicable and feasible. The supervisors may also employ additional permanent and temporary staff, as needed, and determine their qualifications, duties, and compensation. The supervisors may delegate to the chair, to one or more supervisors, or to employees such powers and duties as they may deem proper, consistent with the provisions of this chapter. The supervisors shall furnish to the department, upon request, copies of rules, orders, contracts, forms, and other documents that the district has adopted or used, and any other information concerning the district's activities, that the department may require in the performance of its duties under this chapter;

(10) To adopt rules to implement the provisions of this chapter; and

(11) To request that the Governor remove a supervisor for neglect of duty or malfeasance in office by adoption of a resolution at a public meeting. If the district believes there is a need for a review of the request, the district may request that the council, by resolution, review its request to the Governor and provide the Governor with a recommendation.

WHEREAS, the Volusia County Soil and Water Conservation District was established by FS Chapter 582 (1937) wherein Section 582.29 of said Statute (State agencies to cooperate) the following provision was established:

582.29 State agencies to cooperate.—Agencies of this state that have jurisdiction over, or are charged with, the administration of any state-owned lands, and of any county, or other governmental subdivision of the state, that have jurisdiction over, or are charged with the administration of, any county-owned or other publicly owned lands, shall cooperate to the fullest extent with the supervisors of such districts in the implementation of programs and operations undertaken by the supervisors under the provisions of this chapter. The supervisors of such

districts shall be given free access to enter and perform work upon such publicly owned lands.

WHEREAS, The following are statements of fact:

1. The original Powers and Duties conferred upon the Volusia Soil and Water Conservation District Board of Supervisors have, since its inception, being carried out and enforced, as a matter of law, by Federal, State and Local agencies such as:
  - State of Florida Department of Environmental Protection,
  - Florida Fish and Wildlife Service
  - United States Corps of Engineers,
  - St. Johns River Water Management District
  - Municipal Future Land Use Plans and Land Use and development regulations,
  - Et, al.
  
2. The Volusia Soil and Water Conservation District Board of Supervisors is unfunded and lacking resources.

NOW THEREFORE, BE IT RESOLVED BY THE VOLUSIA COUNTY SOIL AND WATER CONSERVATION DISTRICT, IN OPEN MEETING DULY ASSEMBLED ON THIS DAY, OCTOBER 13, 2021, THAT THE BOARD OF SUPERVISORS HEREBY REQUEST THE FOLLOWING:

SECTION 1. That a referendum be called for and a ballot measure be placed on the ballot on the November, 2022 election by the Volusia County Department of Elections calling for the discontinuance of the Volusia Soil and Water Conservation District Board of Supervisors at a time to be established by that authority in accordance with FS 582.30 - Discontinuance of districts; referendum; commissioner's authority.

DONE AND ORDERED IN OPEN MEETING.
